DIA WATER WARRIOR

PASSPORT

Water Warrior Challenge

In class
Challenge 1
I completed the in-class water lesson as provided by my teacher.

At-home water challenges
Challenge 2
I walked with a water bucket on my head for a hundred metres.
Challenge 3
I became a vegetarian for one day to save water.
Challenge 4
I read a water-related story.
Challenge 5
I calculated my own water footprint for one day.
Challenge 6
I experienced a 20-litres water day.
Challenge 7
I wrote a poem about water.
Challenge 8
I made a social video trying to balance bucket on my head.
Challenge 9
I taught my family about water conservation.
